Please retain this information for your records.

Existing loans

Item	Amount owed	Interest charged this period	Interest charged this year
Margin loan	$ 33,756.05	$ 653.46	$ 6,142.06
Total	$ 33,756.05	$ 653.46	$ 6,142.06

Borrowing potential

You can borrow on margin against the value of your portfolio to buy additional securities or for an unspecified purpose. Through Express Credit you may borrow an even greater amount. The amount you can borrow is based on the types of investments in your portfolio.

The interest rate we charge on the borrowed money depends on several factors, including how much is borrowed. Last period's average borrowing rate was from 10.00 % to 11.50 %. Amounts borrowed on margin decrease the amount you can borrow for other purposes.

Dear Stockholder:

I am pleased to enclose a check which represents the cash portion of the special dividend your Board of Directors declared on January 26. This special dividend consists of $25 in cash plus $5 principal amount of new senior subordinated debentures for each outstanding share. It is our intention to send the debenture portion of the distribution to you on March 1, 1988.

As we have previously advised all of our stockholders, payment of this dividend distribution is an important step in the restructuring program we began last Spring in order to maximize the value of our stockholders' investment in the Company. Your Board of Directors determined that payment of the dividend was the best way to provide added value to our stockholders in the short term, while still enabling them to benefit over the long term by retaining their ownership in what we firmly believe is a Company with good potential for future growth. We are confident that our strong positions in our core businesses of transportation, natural resources and real estate provide a solid base for your Company's future growth and success.

We look forward to our continuing relationship with you as an owner of the Company. If you have any questions, please feel free to write, or call us at (312) 786-6210.

Sincerely,

Robert D. Krebs
President and Chief Executive Officer

Please retain this information for your records.

Borrowing potential

You can borrow on margin against the value of your portfolio to buy additional securities or for an unspecified purpose. Through Express Credit you may borrow an even greater amount. The amount you can borrow is based on the types of investments in your portfolio.

The interest rate we charge on the borrowed money depends on several factors, including how much is borrowed. Last period's average borrowing rate was from 10.50 % to 12.00 %. Amounts borrowed on margin decrease the amount you can borrow for other purposes.

Borrowing potential

You can borrow on margin against the value of your portfolio to buy additional securities or for an unspecified purpose. Through Express Credit you may borrow an even greater amount. The amount you can borrow is based on the types of investments in your portfolio.

The interest rate we charge on the borrowed money depends on several factors, including how much is borrowed. Last period's average borrowing rate was from 10.25 % to 11.75 %. Amounts borrowed on margin decrease the amount you can borrow for other purposes.

The Honorable Julian Dixon

Dear Congressman Dixon:

This letter is in response to your letter of May 26, 1989 concerning my Financial Disclosure Statement.

In Part II. B I have listed accounts at Frankfort State Bank, Mokena State Bank, and Chesterfield Savings and Loan. I indicated the type of unearned income to be "interest". I thought it was apparent on its face, however, these assets are a checking account at Chesterfield Savings and Loan and a savings account at Frankfort State Bank and a savings account at Mokena State Bank.

Under Part IV - Transactions there should be listed IBM shares of stock, dated February, 1988, category A.

This should answer the questions you have raised.

Yours truly,

Geo E. Sangmeister

Dear Mr. Anderson:

Pursuant to a request by the Committee on Standards of Official Conduct, this letter serves as an amendment to my 1988 Financial Disclosure Statement.

Part IV (Transactions) is amended as follows: my interest in DLM Joint Venture was sold March 31, 1988, for a total price of less than $1,000, which falls below the threshold for purposes of reporting financial transactions. Hence, I did not report the transaction in my original filing.

I trust this answers the committee's questions.

Best regards.

Sincerely,

Dan Schaefer
Member of Congress

Dear Congressman Schulze:

We have been asked by some of the Members of Congress who participated in the 1988 Kemper Open Pro-Am to furnish them with information on the value of the gifts provided them by our tournament. As a result, we have calculated the total value of the gifts to be $316.00 broken down as follows:

Carry-all (logoed and personalized)	$32.00
Waterford Brandy Balloons	$135.00
Shirt (logoed)	$15.75
Sweater vest (logoed)	$17.75
World Atlas	$13.86

Helene Curtis (gift boxed)	$15.00
Foot-Joy socks (three pair)	$7.50
Picture Frame/Perpetual Calendar	$23.00

Each year the Kemper Open Committee invites a number of prominent figures to participate in the Pro-Am portion of our tournament. This Committee is a separate entity from the Kemper Group, and no corporate funds were used to provide any of the above-mentioned items.

As you know, a portion of the proceeds from the Kemper Open Pro-Am is donated to various charities. In 1988 a total of $150,000 was given to the following charities: American Cancer Society, Maryland Division; American Red Cross, Montgomery County Chapter; Arthritis Foundation, Metropolitan Washington Chapter; Bethesda/Chevy Chase Rescue Squad; Boys' and Girls' Clubs of D.C.; Boy Scouts of America, National Capital Area; Boys' Club of America; Cabin John Volunteer Department; Children's Hospital; Columbia Lighthouse for the Blind; Girl Scout Council, National Capital Area; Heroes, Inc.; Kids; National Citizens' Commission on Alcoholism; National Association for Down Syndrome; Wolf Trap Foundation; YMCA of Metropolitan Washington.

Further I noted that I showed Florida State Broward County Bonds with value E under Part III. The correct value was C.

Dear Mr. Anderson:

This letter will serve as an official request to amend my 1988 Financial Disclosure Statement, which was just filed with the Office of Records and Registration. I inadvertently omitted the word "NONE" in Part III, Holdings, of the Statement. Since I have no such holdings exceeding the value noted, I should have indicated "NONE."

If you have any questions regarding this matter, please don't hesitate to contact me. Thank you for your attention to this matter.

Sincerely,

Gerry Sikorski

Dear Mr. Anderson:

I am writing this letter as an amendment to my financial disclosure of May 15, 1989. I reported accepting a $1000 honorarium from New York Telephone Association in 1988 and that is incorrect. That income was received in 1989 and will be listed on the 1989 financial disclosure which will be filed next year.

I apologize for any inconvenience this causes. Please feel free to contact me if there are any questions concerning this amendment to the 1988 disclosure.

Sincerely,

Louise Slaughter

By this letter, I wish to amend my Financial Disclosure Statement.

In "Part II. B." I inadvertently failed to identify two savings accounts that are Security Trust and Savings Bank, Shenandoah, IA, Category D; and Security Trust and Savings Bank, Shenandoah, IA, Caterogy B, my husband's.

In "Part III. Holdings." Dear Mr. Chairman:

Today, I submitted my 1988 Financial Disclosure Statement. I have subsequently realized that I made an error, and I would like to request that my statement be amended as follows:

> Under Section III, Holdings, with respect of my daughter Susan E. Spratt, I showed on page 3-D (continuation sheet) that her NCNB Money Market Account was "Category G". This is in error. The category should be "D".

Please let me know if I need to provide additional information to correct this error.

Thank you for your assistance.

Respectfully,

John M. Spratt Jr.

Dear Mr. Chairman:

Enclosed is a copy of my Financial Disclosure Statement for 1988.

It is complete except for information about my wife. Because of her schedule and slow mails, I have been unable to complete her part of the form. Therefore, I would like to request an extension of the filing period. If this is possible, I will amend my statement when the full data on her is available, probably within a week to ten days.

Thank you very much for your consideration of this request.

Sincerely,

Dear Mr. Chairman:

I apologize but I realize we must make an amendment to the Financial Disclosure Statement for 1988 filed today.

It involves an amendment to the III. Holdings page, under my wife's portion, she needs to report a 10% interest in Kings' Mall Association, Residential Land, in Hanford, California. Value "C".

Attached is a corrected III form.

Thank you for your assistance in this matter.

Sincerely,

Pete Stark
